HAWAII TWO ISLAND TOUR (LUXURY)

— BIG ISLAND DAY 1 —

Guests will arrive anytime this day and check in at the Hawaii Island Retreat. We will have a one hour orientation that evening explaining the schedule and activities.

— BIG ISLAND DAY 2 —

We will begin our first day together by heading to the Akaka Falls Zipline Tour. Be thrilled and amazed while soaring on 7 ziplines, each more incredible than the last as guides tell stories of Hawaiian culture. Located below Akaka Falls State Park on the Honomu Coast, guests will fly above two diverse waterfalls, including the breathtaking 250 ft Kolekole waterfall. Afterward, we will arrive in Hilo for lunch and a museum tour.

From Hilo, we will leave for the Mauna Kea Observatory, stopping in a village town on our way for dinner. Once we arrive on top of the volcano, we will enjoy otherworldly stargazing through high powered telescopes.

— BIG ISLAND DAY 3 —

We will leave our resort early and drive to Hawaii Volcanos National Park where we you will experience the heartbeat of a volcanic landscape. We will circle the entire park, stopping at all notable locations. We will even hike into a lava tube and pending the current lava flow, we will trek across the hardened lava to the molten lava itself!

After the park and lunch, we will give clients two options: Option one is a lava boat tour where we will be taken by boat near the shore of Volcano National Park and observe the lava flow as it falls into the ocean. Option two is a helicopter tour along the same coastline.

— BIG ISLAND DAY 4 —

Before sunrise, we will depart on our very own deep sea fishing charter. This half day activity will be a pleasure for the fisherman in all of us as we cast for the ocean prizes of Skipjack Tuna, Spearfish, Ono, and others. For those that are more inclined to stay on land, after breakfast you will enjoy a private coffee plantation tour which includes seeing how the bean is cultivated followed by testing their very best samples.

After relaxing at the resort for a few hours, we will have an early dinner and prepare for one of the greatest activities you can do in Hawaii, or anywhere for that matter. The Manta Ray Night Dive is not to be missed or forgotten. We depart before sunset and anchor near a natural sand bar off the Kona coastline. We will dive and snorkel among these gentle giants as they soar literally inches away.

— BIG ISLAND DAY 5 —

For the final day on the Big Island, we will again give clients two options. For those who love to golf, we will arrange for tee times at one of the famed courses near our resort. You can also choose to snorkel the incredible Kealakekua Bay. By mid afternoon, we will head for the airport and fly to Waikiki, Oahu. Upon arrival, we will check in to The Royal Hawaiian Waikiki and enjoy the rest of the evening at the resort.

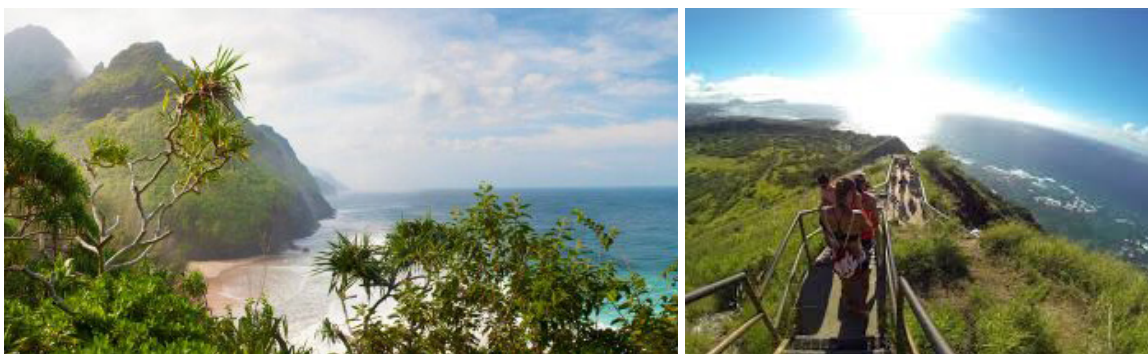

— OAHU DAY 1 —

Welcome to the famous Waikiki! No itinerary would be complete without a stay here. For our first morning, we will have surf lessons from a certified instructor. After our one hour lesson, we will stay for an additional hour and have fun in the surf. Afterward, we will return to the resort for some down time, or you can head in to town and cruise the great shopping. For dinner, we will have an incredible time aboard the Majestic Sunset Dinner Cruise.

— OAHU DAY 2 —

There are few places as popular as our first stop this morning, Hanauma Bay. We will soak in this ideal setting with a sunrise snorkel and beach time. Afterward, we will grab an early lunch and go trekking up the iconic Diamondhead mountain. From the top you will have sweeping 360 degree views of Waikiki and the ocean. From here we will return to our resort for pure relaxation.

— OAHU DAY 3 —

It's a great time to get away from the busier parts of Waikiki and see more of the island. We will begin by traveling along Windward Drive where you will view incredible vistas and waterfalls. Along the way, we will stop in at the Dole Plantation for a tour of their botanical gardens and enjoy lunch. Afterward, we will have the truly unique experience of a sunset horseback ride along the beach.

— OAHU DAY 4 —

For our final day together, you will be immersed in the ultimate Polynesian experience as we will have the VIP treatment at the Polynesian Cultural Center. The center has been created for all to enjoy every Polynesian culture in one place. Detailed villages, a river cruise and an authentic cultural show with luau will all be part of our day together. Aloha!
