

EPIC ONE
ADVENTURES

MAUI HAWAII ITINERARY

7 DAYS, 6 NIGHTS

— DAY 1 —

You can arrive in Maui anytime this day. We will pick up guests as they arrive at the airport and shuttle them to the resort. We will plan on an intro dinner at 6pm, after which you can relax for the evening on the property, or enjoy the nearby beach.

— DAY 2 —

After breakfast, we begin our adventure and drive along the remarkable road to Hana. We will ascend a couple of miles through a pristine, rarely visited rainforest to the top of a deep canyon. We will then descend down 7 different waterfalls with heights up to 120 feet. You will be rewarded with lush jungle, beautiful pools and solitude all around, not to mention the rush! Afterward, we return to the resort to enjoy incredible food and relax. You can even pre-book a spa treatment at the resort.

— DAY 3 —

When you think of Maui, you may not imagine what you're going to see today. After an early breakfast, we depart the resort and drive to the top of the Haleakala Volcano. Today's 10 mile hike will take us along the Haleakala Crater admiring this alien landscape with its rust colored volcanic cones, lava fields and rare endemic plants. We will spend some time looking into the pit of despair and even exploring a lava tube. After our hike, we will head back just in time for dinner. As before, you can stay at the property, head to the beach or even enjoy the local town.

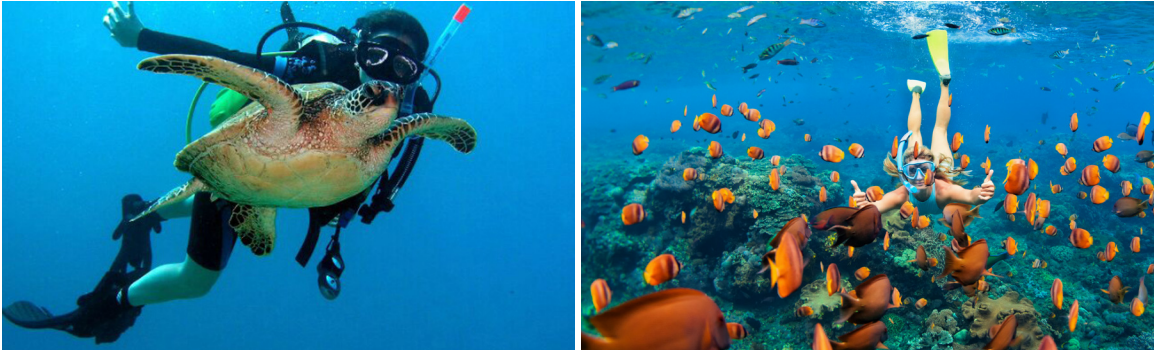

— DAY 4 —

Another incredible day is in store for you. We leave our resort and drive once again along the famous road to Hana. We will be hiking to a secret canyon known as Lower Emerald that is far from the beaten path and rarely visited. We will ascend to the head of the canyon for 3 miles and then drop into the canyon and encounter waterfalls of all sizes. You have the option to either jump, or use a rope to get down. As we near the end of this pristine rainforest we take a short hike back to our vehicle and head to the other side of the island for the next couple of days. We will arrive by late afternoon to another resort with all the luxuries you want, including a pristine beach.

— DAY 5 —

We're in Maui, so let's enjoy this tropical ocean! After breakfast, we'll drive to the local dive shop, which we have teamed up with to provide interested clients the opportunity to scuba dive without certification. For those that enjoy the experience, they can build on what they have learned in the afternoon for another dive. For those that want, we will travel to a nearby famous bay to snorkel in calm waters with coral, turtles, and an amazing array of tropical fish. We will then head back to the resort for the evening.

— DAY 6 —

How about a little more time on the ocean? We will head out early for some deep-sea fishing. Hopefully we will hook some tuna! Afterward we will head back to the resort and relax for a few hours. After an early dinner, we will explore the AIO Valley Park where we will hike to a vantage point of the AIO Needle, enjoying this beautiful place and learning about the tragic Hawaiian history that happened at this very sight. Then, we head back to the resort by late evening.

— DAY 7 —

Today will be a day to rest, relax and soak in our final day together. For those who wish, we can enjoy a final beach day swimming and snorkeling. We will also make arrangements for anyone who would like to golf. We will plan on heading to the airport by 4 for all evening flight departures. You can also pick up a rental car from here for anyone who wants to extend their time on Maui.

— PRICING STRUCTURE —
