HAWAII TWO ISLAND TOUR (MODERATE)

— BIG ISLAND DAY 1 —

Guests will arrive anytime this day and check in at the Hawaii Island Retreat. We will have a one hour orientation that evening explaining the schedule and activities.

— BIG ISLAND DAY 2 —

We begin our Hawaiian adventure together and drive along the remarkable northern coast. We will ascend a couple of miles through a pristine, rarely visited rainforest to the top of a deep canyon. We will then descend down 7 different waterfalls with heights up to 120 feet. You will be rewarded with lush jungle, beautiful pools and solitude all around, not to mention the rush! Afterward, we will head back to the resort to enjoy incredible food and relax. You can even pre-book a spa treatment at the resort or simply enjoy the beach.

— BIG ISLAND DAY 3 —

We will leave our resort early and drive to Hawaii Volcanos National Park where you will experience the heartbeat of a volcanic landscape. We will circle the entire park, stopping at all notable locations. We will even hike into a lava tube and pending the current lava flow, trek across the hardened lava to the molten lava itself! From the park, we will leave for the Mauna Kea Observatory, stopping in a village town on our way for dinner. Once we arrive on top of the Mauna Kea volcano, we will enjoy otherworldly stargazing through high powered telescopes.

— BIG ISLAND DAY 4 —

This morning you'll have plenty of time to sleep in and enjoy a late breakfast. Of course, for any early risers, you can be the first up to go for a morning jog on the beach. After relaxing at the resort, we will have an early dinner and prepare for one of the greatest activities you can do in Hawaii, or anywhere for that matter. The Manta Ray Night Dive is not to be missed or forgotten. We depart before sunset and anchor near a natural sand bar off the Kona coastline. We will dive and snorkel among these gentle giants as they soar literally inches away.

— BIG ISLAND DAY 5 —

For the final day on the Big Island, we will again give clients two options. For those who love to golf, we will arrange for tee times at one of the famed courses near our resort. You can also choose to snorkel the incredible Kealakekua Bay. By mid afternoon, we will head for the airport and fly to Waikiki, Oahu. Upon arrival, we will check in at the Shoreline Waikiki and enjoy the rest of the evening at the resort or exploring the nearby beaches.

— OAHU DAY 1 —

Welcome to the famous Waikiki! No itinerary would be complete without a stay here. For our first morning, we will have surf lessons from a certified instructor. After our one hour lesson, we will stay for an additional hour and have fun in the surf. Afterward, we will return to the resort for some down time, or you can head in to town and cruise the great shopping. For dinner, we will have an incredible time aboard the Majestic Sunset Dinner Cruise.

— OAHU DAY 2 —

There are few places as popular as our first stop this morning, Hanauma Bay. We will soak in this ideal setting with a sunrise snorkel and beach time. Afterward, we will grab an early lunch and go trekking up the iconic Diamondhead mountain. From the top you will have sweeping 360 degree views of Waikiki and the ocean. From here we will return to our resort for pure relaxation.

— OAHU DAY 3 —

It's a great time to get away from the busier parts of Waikiki and see more of the island. We will begin by traveling along Windward Drive. We will stop along the way to view incredible vistas and waterfalls. We will also visit the Dole Plantation for a tour of their botanical gardens and enjoy lunch before returning to the resort.

— OAHU DAY 4 —

For our final day together, you will be immersed in the ultimate Polynesian experience as we will have the VIP treatment at the Polynesian Cultural Center. The center has been created for all to enjoy every Polynesian culture in one place. Detailed villages, native activities and an authentic cultural show with luau will all be part of our day together. Aloha!
